

ALL INDIA ONLINE IPSC FEST 2022

Question for Website Designing.

The ALL INDIA ONLINE IPSC IT Fest 2022 theme is “**Best Technology brings people together**” and keeping it in mind you are required to design a website / blog showcasing a GPS Tracking Bracelet covering the following points

- Advantages - why it should be a requirement of your school
- Attendance of students, teachers, and helpers
- Internet access restrictions
- Bonding between teachers, parents, management, and student
- Use of Cloud
- Health Management
- Any other point that emerges in your thoughts related to the theme stated above.

The site must contain a menu / link / page that describes “**about us**” for the introduction of the participants’ school and their profile.

Please note

1. The content used in the website design must be designed in original.
 2. Any copyright free background / colour theme /video /audio/ images/ clipart, etc is allowed to be used in the website design.
 3. The Website design will be judged based on following criteria: Topic Approach/ Relevance to topic / Placement of the content / Presentation of information / Colour Theme.
 4. While submitting the website, the content must be in a single zipped folder with index file as main file or in the form of a web link in your school cloud folder provided by the host school on 15th October 2022 strictly between 10:30 am and 10:50 am.
 5. Late submission will lead to disqualification.
 6. The design of the website must not contain material deemed objectionable to Welham Boys’ School (e.g., no profanity, nothing offensive to a person’s gender / ethnicity / religious beliefs, and no references to alcohol, tobacco, or drugs).
 7. Plagiarism i.e., taking or using ideas, writings, works of another as if they were yours, will not be accepted.
 8. The participant will be displaying their creation to the judges 11:30 am onwards on October 15, 2022.
- The Judges’ decision will be final and binding.
 - Welham Boys’ School reserves the right to use the content of the website submitted for its own use.
